

Certificate of constancy of performance 2874-CPR-3033A

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Easi-joist metal web joists and columns

Metal web beams and column for structural use

Produced by:

Holden Timber Engineering Limited

and produced in the manufacturing plant:

Paper Mill Business Park, Paper Mill Lane, Claydon, Ipswich, Suffolk, IP6 OBE

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in the ETA:

ETA 20/1163 and EAD 130031-00-0304 November 2018 METAL WEB BEAMS AND COLUMNS

under system 1 for the performance set out in the ETA are applied and that the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product.

This certificate was first issued on **10 September 2024** and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.

Geraldine Sharples

Geraldine Sharples Director Dublin 10 September 2024

This certificate remains valid subject to surveillance audits as applicable to the standard/s and that the above manufacturer produces products in strict adherence to the above standard and CPR and does not change or amend their products and their FPC.
